Report of the Programme:

Programme Name: Celebration of National Education Day, 2025

Objectives :-

⇒ This programme aimed to celebrate National Education Day, 2025 and make an awareness on educating all the people of the society.

⇒ To measure the general contextual knowledge of the students on education, its needs and importance by interacting with the theme speaker.

⇒ To furnish knowledge on artificial intelligence, use of AI tools in education and, job opportunities of human in future world and challenges.

Participants of the Programme:

All the Assistant Professors of department

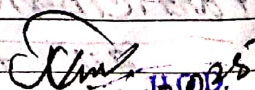

of education and almost 40 students of Deomarnoi Degree College were participated to the programme.

Description of the Programme:

A programme was organised by the Department of Education, Deomarnoi Degree College on the occasion of celebration of National Education Day, 2025 on 11th of November, 2025. The programme was started at 12:30 P.M.

The programme was inaugurated by Abeni Saharia, an Assistant Professor of Department of education and followed by explaining the purpose of the meeting by Dr. Nripendra Deka, an Assistant Professor of the same department. In this programme the H.O.D, P. Hiranmoyee Medhi gave her welcome speech. She also placed a speech on AI and Education, Preserving Agency in a world of Automation. She explained that as artificial intelligence reshapes workplaces and daily life, education serves as the primary safeguard for human autonomy. Preserving human agency in a world of AI and automation requires education systems to focus on critical thinking, ethics and emotional intelligence. She also interacted with the students present and discussed a few issues placed by the students.

This programme was ended by offering a vote of Thanks by Dr. Nripendra Deka.
