Report of the Programme:

Programme Name: A Lecture Programme on
Importance of Digital Transformation in
Education" on the occasion of International Education Day,
2023.

Objectives:

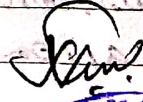

- ⇒ To celebrate International Education Day 2026, and make an awareness on the role of education in bringing peace and sustainable development.
- ⇒ To highlight the theme of the day, i.e. 'The power of youth in co-creating education' among the young students.
- ⇒ To discuss the importance of Digital transformation in education through an interactive lecture.

Participants of the Programme:

All the faculty members of Department of education, guest, resource person and 67 students.

Description of the Programme:

The International Education Day was celebrated by Department of Education on 24th January, 2026. The purpose of the meeting was explained by Mr. Abani Saharia and welcome address was given by Dr. Hiranmoyee Medhi, HOD, Department of Education. Resource Person, Mr. Jayanta Deka explained pros and cons of the topic 'Importance of Digital Transformation in Education.' He also discussed the issues placed by the students presented in the programme. He explained that digital transformation in education is essential for breaking down geographical barriers, personalising student learning, and equipping learners with critical digital skills. This programme was ended by up by offering a vote of thanks by Dr. Neupendra Deka.
