Prof. Akhil Ranjan Dutta, Gauhati University, akhilranjan@gauhati.ac.in

Ms. Bondita Borbora, Dudhnoi College, Dudhnoi, bonditaborbora@gmail.com

Course Objectives:

- Help the students familiarize with the basic normative concepts of political theory. Each concept is related to a crucial political issue that requires analysis with the aid of our conceptual understanding.
- Encourage critical and reflective analysis and interpretation of social practices through the relevant conceptual toolkit.
- Introduce the students to the important debates in the subject. These debates prompt us to consider that there is no settled way of understanding concepts and that in the light of new insights and challenges, besides newer ways of perceiving and interpreting the world around us, we inaugurate new modes of political debates.

Course Outcomes:

CO1. Illustrate the dimensions of shared living through political values and concepts.

CO2. Examine the concepts of justice, rights and freedom

CO3. Explain the utility of these concepts in enriching political life

CO4. Reflect upon some of the major debates in political theory.

CO5. Construct critical thinking on the socio-economic and political issues based on the contemporary political discourses in India.

Unit-I: Freedom and Equality

- a. Freedom: Lockean notion of Negative Freedom & Amartya Sen's notion of Development as Freedom
- b. Equality: Procedural Equality and Substantive Equality
- c. Egalitarianism: Background inequalities and differential treatment

Unit-II: Justice
